

WHERE OPINION COUNTS
AND FACTS MATTER

A Survey On Philanthropic Activities in Kenya.

WHO WE ARE

At Timely Kenya, we believe that every opinion counts. We are dedicated to empowering individuals and businesses alike to gather valuable insights and make data-driven decisions. Whether you're a curious individual, a market researcher, or a forward-thinking company, our user-friendly survey platform is designed to help you uncover the meaningful data you seek.

The word 'ABOUT' is rendered in large, white, 3D-style capital letters. It is set against a background of various blue squares of different sizes and shades, some of which are semi-transparent, creating a layered effect. The squares are arranged in a way that they appear to be floating or stacked around the text.

Who is a Philanthropist?

This is an individual who seeks to change someone's life by donating charitable items like materials, money, or time.

Most Common Philanthropic Activities in Kenya

- 
- An illustration on the left side of the slide shows five hands holding up white circular signs with numbers 1 through 5. The hands are wearing different colored sleeves: red, blue, black, yellow, and white. The background is a solid blue color.
- Paying school fees for children from poor backgrounds.
 - Mobilizing resources for those in critical need, such as constructing houses.
 - Offsetting hospital bills for Kenyans.
 - Offering foodstuffs and clothing materials.

Do You Think Philanthropists Are of Importance to Our Society?

General Observations

1. Education

Education support is viewed by Kenyans as the most significant philanthropic activity.

2. Fund

Fund drives should be channeled directly to the needy recipients.

3. Faith

Faith-based institutions are not stepping up to philanthropic activities as they used to.

4. Social

Social media has been a game-changer regarding philanthropy.

5. Laws

Laws to guide philanthropy should be in place to prevent exploitation.
